The Sword in the Stone

This is a story about King Arthur of England.

Arthur is a very smart boy. He's eleven. One day, Arthur sees a sword in a stone. Arthur thinks, "How can a beautiful sword get into a big stone?" He pulls and it comes right out. But, Arthur doesn't take the sword home. It isn't his. So, he puts it back into the stone.

Then, a wise old man comes to the town. His name is Merlin. He asks everyone to try to pull the sword out of the stone. No one can do it. Arthur says, "I can."

Arthur pulls it out. Merlin reads the words on the sword, "Pull me out and you will be the king." That is how Arthur becomes the new king.
